

June 2008

Adult Education Advisory Panel Charge

Review and update adult education teacher preparation program standards to be consistent with current California statutes, California student needs, and research-based best practices for teachers. Recommend updated standards to the Commission for approval.

Work Plan

June 2008

Review of current DOE adult education program information, online and other resources. Identify major issues and topics of concern to be considered. Identify potential panel guests. Review standards format and state policies relevant to adult education and teacher education.

September 2008

Review of Common Standards and CTC adult education standards and pre-conditions. Revise preconditions if necessary. Construct standards topics not covered by common standards. Identify adult education standards relevant to new standards. Guest speakers.

October 2008

Panel guest speakers. Draft program standards (Category I). Begin candidate competency standards (Category II).

November 2008

Guest speakers. Complete standards drafts.

December 2008

Proofreading and editing. Draft introductory statement.
